Marjorie & Bastien

"Music is infinite. It is the language of the soul."

Otto Klemperer

Our History

We're Music and Band – Marjorie & Bastien.

We met in 2014, after having already spent ten years singing everywhere, and since then... we haven't been apart (neither on stage nor in real life).

We offer to bring your ceremony, whether secular or religious, to life with intensity, emotion, and that little thrill that makes all the difference.

And because a wedding is also a celebration, we love raising the atmosphere during your cocktail reception to create exactly the atmosphere you imagine.

We love meeting, listening, and sharing. So, we always put a lot of complicity, sincerity, and a touch of magic into each performance.

In short, we're here to transform your wedding day into a unique moment, one that reflects you and that will remain engraved in your hearts (and those of your guests).

We offer two hours of live music to liven up your cocktail party, brunch, or welcome dinner.

Our repertoire, combining French classics and current hits, creates an elegant, moving, and convivial experience.

And as the songs progress, we gently build the atmosphere... until dinner, in a festive and refined spirit.
